Notes

- (a) Domestic traffic is counted both at the airport of arrival and the airport of departure. The total domestic plus international traffic is, therefore, only a measure of airport activity.
- (b) Coventry resumed Commercial activity October 2011.
- (c) Plymouth Airport closed December 2011
- (d) Penzance Heliport closed October 2012

Please note that figures may change overtime as each new version is produced. Information relating to an airport that has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
