Subject: Heathrow extension
Date: 11 October 2019 11:15:44

Dear Madam/Sir,

Not only is the extension unnecessary, noisy, polluting and unwanted by most Londoners who have to suffer under it...but above all it's a shining example of this governments financial incompetence - we the taxpayers have to take the brunt of the noise, pollution AND the financial hit.

Just stop it.

Best

Fiona Cunningham-Reid
