

Dear AME

As you are aware the GDPR comes into force on 25/05/2018 and, as advised in the GDPR AME training, AMEs will have contractual obligations as Data Processors. Please find attached the contract setting out the GDPR contractual obligations between an AME as a Data Processor and the UK CAA as the Data Controller.

Please take the time to read through and understand your contractual obligations and return the signed declaration to AME Support (amesupport@caa.co.uk) for the attention of the Data Asset Manager (DAM) who will add it to your records. The DAM for the UK CAA Medical Department is Carmela Bryant.

Please return the signed declaration by the 4th June 2018.

Kind regards
Sally
