

Dear AME

The Med160 and MED161 forms have been updated, the revised versions, for both pilots and ATCOs, can be found on the CAA website in the following link:

<http://www.caa.co.uk/Aeromedical-Examiners/Connecting-with-the-CAA/Medical-forms-available-for-download/>

The amendments to MED160 are as follows:

- In Box 31 *Declaration* - please note that the consent wording has been updated
- In Box 2 *Medical Certificate applied for* - an additional box has been added for Class 3
- On Page 3 (instruction page for completion of the application form), Class 3 ATCO has been added to box 2

The MED161 has been reformatted so that it is consistent with the MARS database.

Kind regards
Carmela
