

The United Kingdom type rating and licence endorsement lists constitute the class and type of aircraft categorisations in accordance with FCL.010 (category of aircraft, class of aeroplane, and type of aircraft) and FCL.700 of Annex I (Part-FCL) to UK Regulation (EU) No 1178/2011, as well as in accordance with GM1 FCL.700. Furthermore, the lists provide aircraft-specific references relevant to flight crew qualifications and air operations.

Manufacturers	Aircraft model / name	Licence endorsement	Variants	Complex	SP / SP HPA / MP	OE GM / OEB / ODS FC available	Remarks
All manufacturers	All powered sailplanes having an integrally mounted, non-retractable engine and a non-retractable propeller, capable of taking off and climbing under its own power.	TMG	Yes	NA	SP		Class rating TMG - Aircraft within the class rating touring motor glider (TMG) are not listed individually in this table, unless specific provisions have been established.
All manufacturers	Single engine piston (land) SEP with variable pitch propellers (VP) SEP with retractable undercarriage (RU) SEP with turbo/super charged engine (T) SEP with cabin pressurisation (P) SEP with tail wheel (TW) SEP with electronic flight instrument system (EFIS) SEP with single lever power control (SLPC).	SEP (land)	Yes	N/A	SP	N/A	Class rating SEP (land) Aircraft within the class rating SEP (land) are not listed individually in this table, unless specific provisions have been established. All aircraft within the same class rating SEP require differences training, unless indicated otherwise in the list.
All manufacturers	Single-engine turbo-prop engines	SET	Yes	N/A	SP		Class rating SET All aircraft within the class rating SET are listed individually in this table and require EASA classification. All aircraft within the class rating SET require differences training, unless indicated otherwise in the list. Revalidation for each SET aircraft must be accomplished individually, unless indicated otherwise in the list.
All manufacturers	Single-engine piston (sea) Single-engine piston (sea) with variable pitch propellers (VP) Single-engine piston (sea) with turbo- / super-charged engines (T) Single-engine piston (sea) with cabin pressurisation (P) Single-engine piston (sea) with electronic flight instrument system (EFIS) Single-engine piston (sea) with single lever power control (SLPC)	SEP (sea)	Yes	N/A	SP		Class rating SEP (sea) Aircraft within the class rating SEP (sea) are not listed individually in this table, unless specific provisions have been established.

Manufacturers	Aircraft model / name	Licence endorsement	Variants	Complex	SP / SP HPA / MP	OE GM / OEB / ODS FC available	Remarks
All manufacturers	Multi-engine piston (land)	MEP (land)	Yes	N/A	SP		<p>Class rating MEP (land)</p> <p>Aircraft within the class rating MEP (land) are not listed individually in this table, unless specific provisions have been established.</p> <p>All aircraft within the same class rating MEP require differences training, unless indicated otherwise in the list.</p>
All manufacturers	Multi-engine piston (sea)	MEP (sea)	Yes	N/A	SP		<p>Class rating MEP (sea)</p> <p>Aircraft within the class rating MEP (sea) are not listed individually in this table, unless specific provisions have been established.</p> <p>All aircraft within the same class rating MEP require differences training, unless indicated otherwise in the list.</p>
