## NOTIFICATION OF UK TYPE CERTIFICATE (TC) REVOCATION

This notification is issued by the Civil Aviation Authority, acting in accordance with ICAO Annex 8, Chapter 1, Section 1.6 (Thirteenth Edition, July 2022) and assimilated Regulations (EU) 2018/1139 and (EU) No. 748/2012.

**Notification Number:** UK.CN.00009

**Issue Date:** 09 May 2025

**Background:** BAE SYSTEMS (OPERATIONS) LTD have notified the UK CAA of their intention to surrender the HS 748 Type Certificate. UK CAA subsequently held a public consultation on this intention in January 2025. No comments were received and the surrender is now proceeding, resulting in this revocation.

The following information details the revocation:

<b>Product Type</b>	HS 748 Models: HS 748 Series 1, 2, 2A and 2B

<b>State of Design Authority</b>	<b>United Kingdom CAA</b> Aviation House Gatwick Airport South West Sussex RH6 0YR United Kingdom <a href="mailto:certification.airworthiness@caa.co.uk">certification.airworthiness@caa.co.uk</a>
<b>Effective Date of Revocation</b>	<b>01 July 2025</b>

### Additional Remarks:

This revocation is permanent and irreversible.

The revocation of this TC invalidates the Certificates of Airworthiness for all affected aircraft. The UK CAA Product List will be amended to remove this aircraft type and the TCDS will be removed from the UK CAA website. Aircraft operating on other registers may be subject to restrictions by the respective aviation authority.

The subject Type Certificate is not applicable to HAL 748 aircraft that have serial numbers in the range 500 to 588 inclusive (as per Note 3 on page 3 of the TCDS, EASA.A.397 Issue 2).
