Appeal for Design Approval Transfer:

To support ongoing continued airworthiness of this design approval, CAA are seeking for Design Organisations to declare an interest in receiving transfer of the design approval. Declarations of interest can be made by contacting the above CAA email address, before 17 April 2026.

If no potential receiving Design Organisation is identified by this date, this design approval will be subject to CAA review, at which time it may be classified as Surrendered, after which, transfer cannot be facilitated.

Additional Remarks:

Affected aircraft on the UK register may continue to operate until an unsafe condition has been identified, at which point the Airworthiness Directive (AD) process will control the necessary actions. Aircraft operating on other registers may be subject to restrictions by the respective aviation authority. No subsequent embodiments of the design approval or release on Airworthiness Release Certificate (Form 1) of manufactured parts/articles are permitted.
