

Civil Aviation Authority United Kingdom

NOTIFICATION OF SUPPLEMENTAL TYPE CERTIFICATE (STC) SURRENDER

This notification is issued by the Civil Aviation Authority, acting in accordance with assimilated Regulations (EU) 2018/1139 and (EU) No. 748/2012.

Notification Number: UK.CN.00041

Issue Date: 28 April 2026

Background:

Gulfstream Aerospace Limited (UK.21J.0164) has notified UK CAA of its intent to surrender STC EASA.A.S.03041. As part of this process, this design approval was first suspended through UK CAA SkyWise bulletin. Whilst a transfer was encouraged, no response related to SkyWise bulletin was received. Therefore, the STC below is now surrendered.

The following information details the surrender:

STC Title/Description	EASA Certification of a number of FAA Major Alterations installed at original delivery
Former STC Holder	Gulfstream Aerospace Limited, UK.21J.0164
Former STC Holder Address	Farnborough Airport, Hampshire, GU14 6GU, UK
Surrendered STC Number	EASA.A.S.03041
State of Design	United Kingdom
State of Design Authority	United Kingdom CAA Aviation House Gatwick Airport South West Sussex RH6 0YR United Kingdom certification.airworthiness@caa.co.uk
Effective Date of Surrender	28 April 2026

Additional Remarks:

This surrender is permanent and irreversible.

Affected aircraft on the UK register may continue to operate until an unsafe condition has been identified, at which point the Airworthiness Directive (AD) process will control the necessary actions. No subsequent embodiments of the design approval or release on Airworthiness Release Certificate (Form 1) of manufactured parts/articles are permitted. Aircraft operating on other registers may be subject to restrictions by the respective aviation authority.
