(a) Domestic traffic is counted both at the airport of arrival and at the airport of departure.

The total domestic plus international traffic is, therefore, only a measure of airport activity.

(b) Excludes traffic at Carlisle, Isles of Scilly (St Mary's), Lands End (St Just), Metro London Heliport, Penzance, Plymouth, Shoreham, Swansea and Treviso.

(c) Rotary wing includes only scheduled operations to/from full reporting airports and services to/from oil rigs.

(d) Coventry resumed Commercial activity October 2011.

Please note that figures may change overtime as each new version is produced. Information relating to an airport that has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
