REGISTER OF UK SUPPLEMENTAL TYPE

NOTICE TO USERS OF THIS REGISTER

This register provides the list of Supplemental Type Certificates (STCs) issued by the CAA.
It is updated whenever a new STC is issued, or an existing one is amended.
The register is sorted in alphabetical order by the name of the approval holder/manufacturer.
The columns of the register contain the following information:

1. STC number.
2. Date of issue.
3. Revision.
4. Foreign Authority / Original STC reference number.
5. Type(s) and/or Model(s).
6. Applicant's change number
7. Title/Description of change.
8. Classification of change.
9. Status.

Note: If the STC has been surrendered, revoked or transferred this will be identified in column 1.
Changes are tracked by vertical bars on the left side of the pages to help in identifying the last changes.
For additional information on an STC contact the STC Holder.
