(a) Excludes small airlines' public transport operations (see table 10)

(b) EEA Scheduled Services are those operated between liberalised airports in the European Economic Area by holders of UK operating licences ie excluding services operated under UK Air Transport Licences.

(c) With flights carrying both international and domestic traffic only the international load data are included on this table. Load factors may therefore be distorted.

(d) When only Cargo Uplifted Tonnes are present freight or mail was carried on a passenger/cargo mix service, on which between two points only freight or mail was discharged. Other details will therefore be included under passenger services.
