APPLICATION TO BECOME A DFT NXCT TEST MANAGER

Civil Aviation Authority

This form should be used to apply to become a DfT NXCT Test Manager. Please use the checklist in section 4 to ensure you have all the required documentation, as incomplete applications will be subject to delay.

SECTION 1 – APPLICANT DETAILS

Name: ....

Company: ....

Company role: ....

Contact email: ....

Alternate email: ....

Telephone: ....

Alternate telephone: ....

SECTION 2 – CERTIFICATION REQUIREMENT

Please indicate below which of the DfT approved aviation security courses you have completed and the test(s) you wish to be approved to deliver:

DfT Aviation Security course		NXCT	
Ground Instructor		Cabin Baggage	
Aviation Security Managers		Hold Baggage	
Cargo Managers'		Cargo and Mail	

Please note: If requesting approval for Cargo and Mail NXCT, completion of a Cargo Managers course will be required.

SECTION 3 – NXCT TEST MANAGER DECLARATION AND CONSENT

I hereby confirm that the testing I will be conducting, to persons or entities, will be within scope of the NCXT criteria and delivered within these parameters as shown in CAP 1171.

I understand that I am required to inform the CAA as soon as possible of any change in my contact details (including my employer) or if I cease being an NXCT Test Manager.

I consent to my personal information being retained by the CAA for the purposes of being an NXCT Test Manager.

Name: ....   Signature: ....

Date: ....

SECTION 4 – SUBMISSION CHECKLIST

I confirm the following aspects have been completed, and enclose the following documentation in support of my application:

☐ Aviation security training course certificates

☐ Agreement to the Criteria at CAP1171

☐ Consent to the CAA holding your personal details for the purpose of being an NXCT Test Manager

Once complete and all relevant documentation is collated, please submit this application form along with your supporting evidence to avsec.training@avsec.caa.co.uk
