

Appendix 1 REME Aviation Theory Course Cross Map Report

Appendix 1 REME Aviation Theory Cross Mapping Report	F270.1 - MAE REME Aviation Technician A Licence F270.2 - MAE REME Aviation Technician Flight Line Ops 1	F270.1 - MAE REME Aviation Technician A Licence F270.2 - MAE REME Aviation Technician Flight Line Ops 1	F280.1 - REME Aviation Technician B License Common F290.1 - REME Aviation Technician B1.3 Licence (Ac)	F280.1 - REME Aviation Technician B License Common F290.2 - REME Aviation Technician B2 Licence (Av)
Graduating from SAAE/DSAE Pt 147, after Jun 26 (training commenced after May 25)	Cat A theory and practical qualified when all modules passed	Cat A theory and practical qualified when all modules passed	Cat B1.3 theory qualified when all modules passed	Cat B2 theory qualified when all modules passed
Trained 2017 to 2025 F022 & F023 course content aligned to EMAR Pt66 syllabus Plus completion of Apache or Wildcat type training	F027A – Technician Aircraft (TAc) Basic F022 (Ac)	F025A – Technician Avionics (TAv) Basic F023 (Av)	F027D – Senior Supervisor Aircraft Maths and Trade (Ac SSUp)	F025D – Senior Supervisor Avionics Maths and Trade (Av SSUp)
	Cat A theory equivalence achieved minus M10	Cat A theory equivalence achieved minus M10	Cat B1.3 theory equivalence achieved minus M10	Cat B2 theory equivalence achieved minus M10
			Full Credit for M12 only granted alongside an Apache or Wildcat Type Training course	Full Credit for M13 only granted alongside an Apache or Wildcat Type Training course
Trained 2017 to 2025 F022 & F023 course content aligned to EMAR Pt66 syllabus Without Apache or Wildcat type training	Cat A theory equivalence achieved minus M10	Cat A theory equivalence achieved minus M10	Cat B1.3 theory equivalence achieved minus M10	Cat B2 theory equivalence achieved minus M10
			M12 required	M13 required
	Basic Technician/Mechanic Ac F022	Basic Technician/Mechanic Av F023	Technician upgrading Ac F020 F022	Technician upgrading Av F021
Trained 1990 to 2017 delivered under the following D201 Maths and science , E076 Tech Foundation maths and science, E077 Basic Electronics, E128 Technician basic electronics, F020 Technician upgrading Ac , F021 Technician upgrading Av F022 MAE Technician became F027 F023 Basic Tech Av became F025 These course codes relate to training from 1990 until 2017 when the F025 and F027 FTS replaced them.	A combination of the foundation and basic modules cover the Equivalent Required Knowledge of a Cat A mechanic. Full credit for Cat A3 theory minus M10 can be awarded	A combination of the foundation and basic modules cover the Equivalent Required Knowledge of a Cat A mechanic. Full credit for Cat A3 theory minus M10 can be awarded	Cat B1.3 theory qualified. Credit Awarded for M1, M2,M3, M4, M6, M7A, M8, & M15	Cat B2 theory. Credit Awarded for M1, M2,M3, M4, M6, M7,M8 & M14
			*Credit for M12 may granted by submitting an Apache or Wildcat Type training course certificate. Subject to Army endorsement.	**Credit for M13 may granted by submitting an Apache or Wildcat Type training course certificate. Subject to Army endorsement.
