**CCB Chair**

4 November 2019

Dear Jeff,

### **Reappointment of the Consumer Challenge Board**

The CAA's Decision<sup>1</sup> on the Terms of Reference for the H7 Consumer Challenge Board (CCB), set out that an initial term of 36 months would be an appropriate period of appointment. Given the changes to the timetable for the H7 price review and capacity expansion programmes, we consider it is now appropriate to consider the extension of the current term of the CCB.

I would be grateful if you could respond to this letter, providing your views on existing CCB Members' performance and confirming whether you are content with their reappointment until 31 December 2021 in line with the revised timetable for the H7 review. We will also consult stakeholders regarding their views on the CCB.

Once we have considered your response to this letter and stakeholders' feedback, we will write to you to confirm our decision on the reappointment of the Consumer Challenge Board.

Yours Sincerely,

Paul Smith
