**Re: Response to – CAP2098: Economic regulation of Heathrow Airport Limited: response to its request for a covid-19 related RAB adjustment**

Thanks for allowing Aeromexico to take part in this consultation.

We strongly support the AOC/LACC joint letter that reflects our same position, as we believe HAL's shareholders are the ones supposed to inject capital in their company during these difficult times.

Most importantly, this is not in the consumer's interest as passengers will be affected and should therefore, be rejected in full.

I would like to thank you in advance for your time and consideration.

Kind regards,

*Maximiliano Barberis*
