Dear Mr. Smith,

I trust this writing finds you well.

I'm writing you to let you know that Air France and KLM Royal Dutch Airlines are in full support of the arguments raised and shared with you by the LHR AOC/LACC and IATA against Heathrow Airport Limited's proposal to adjust the RAB.

In case we might experience other issues with Heathrow Airport Limited's proposal we will address these separately.

With kind regards,

Benedicte Duval

General Manager United Kingdom & Ireland
