

CAP 3164 Economic Regulation of NERL – response to Consultation

From: Duxford Airfield

Dear Sir or Madam,

I am responding to this consultation on behalf of Duxford Airfield

We are very supportive of the position that General Aviation users are exempt/excluded from the airspace charge as outlined in 2.79

This has addressed concerns expressed by Duxford to previous plans and we approve the final proposals.

We have no further comments at this time.

Best Regards,

Henry Simpson
