Dear XXXX

I am writing in respect of your recent request of 25 October 2015, for the release of information held by the Civil Aviation Authority (CAA).

Your request:

*'I would like to know the names of those UK based Universities who hold a current Permit for Aerial Work in respect of SUA/SUSA Operations at 0-7Kg and 7-20Kg Maximum Take Off Mass.'*

Our response:

Having considered your request in line with the provisions of the Freedom of Information Act 2000 (FOIA), we are able to provide the information below.

A list of CAA-approved commercial operators of Small Unmanned Aircraft (SUA) can be found in attachment 1. This is our October version and includes all UK based universities who hold a SUA permission.

We regularly publish this list on the CAA website, which can be accessed using the following link:

<http://www.caa.co.uk/docs/1995/SUA%20Operators%2011Sep15.pdf>.

Please note that the list currently on our website was last updated in September 2015 and is due to be updated with the latest October version.

If you are not satisfied with how we have dealt with your request in the first instance you should approach the CAA in writing at:-

Caroline Chalk  
Head of External Information Services  
Civil Aviation Authority  
Aviation House  
Gatwick Airport South  
Gatwick  
RH6 0YR

Telephone: 01293 768512. [foi.requests@caa.co.uk](mailto:foi.requests@caa.co.uk)

The CAA has a formal internal review process for dealing with appeals or complaints in connection with Freedom of Information requests. The key steps in this process are set in the attachment.

Should you remain dissatisfied with the outcome you have a right under Section 50 of the FOIA to appeal against the decision by contacting the Information Commissioner at:-

Information Commissioner's Office

Information Rights Officer

**CAA INTERNAL REVIEW & COMPLAINTS PROCEDURE**

- The original case to which the appeal or complaint relates is identified and the case file is made available;
- The appeal or complaint is allocated to an Appeal Manager, the appeal is acknowledged and the details of the Appeal Manager are provided to the applicant;
- The Appeal Manager reviews the case to understand the nature of the appeal or complaint, reviews the actions and decisions taken in connection with the original case and takes account of any new information that may have been received. This will typically require contact with those persons involved in the original case and consultation with the CAA Legal Department;
- The Appeal Manager concludes the review and, after consultation with those involved with the case, and with the CAA Legal Department, agrees on the course of action to be taken;
- The Appeal Manager prepares the necessary response and collates any information to be provided to the applicant;
- The response and any necessary information is sent to the applicant, together with information about further rights of appeal to the Information Commissioners Office, including full contact details.

# SUA Operators

Alphabetical listing of CAA-approved commercial operators of Small Unmanned Aircraft (SUA) operating sub-7kg SUA and/or 7-20kg SUA. This list is current as of 27/10/15. In general commercial SUA must only be flown:

> Within direct, unaided visual line-of-sight (VLOS) of the pilot.

> No higher than 400 feet above the surface and no further than 500 metres from the SUA operator.

> 150 metres away from congested areas (unless SUA weight does not exceed 7kg) and not within 150metres of an open-air assembly of 1,000 persons or more.

> Not directly overhead (at any height) or within 50 metres of persons, vehicles, vessels and property, unless those persons are 'under the control of the person in charge of the SUA'.

Total recorded as active: **1142**
