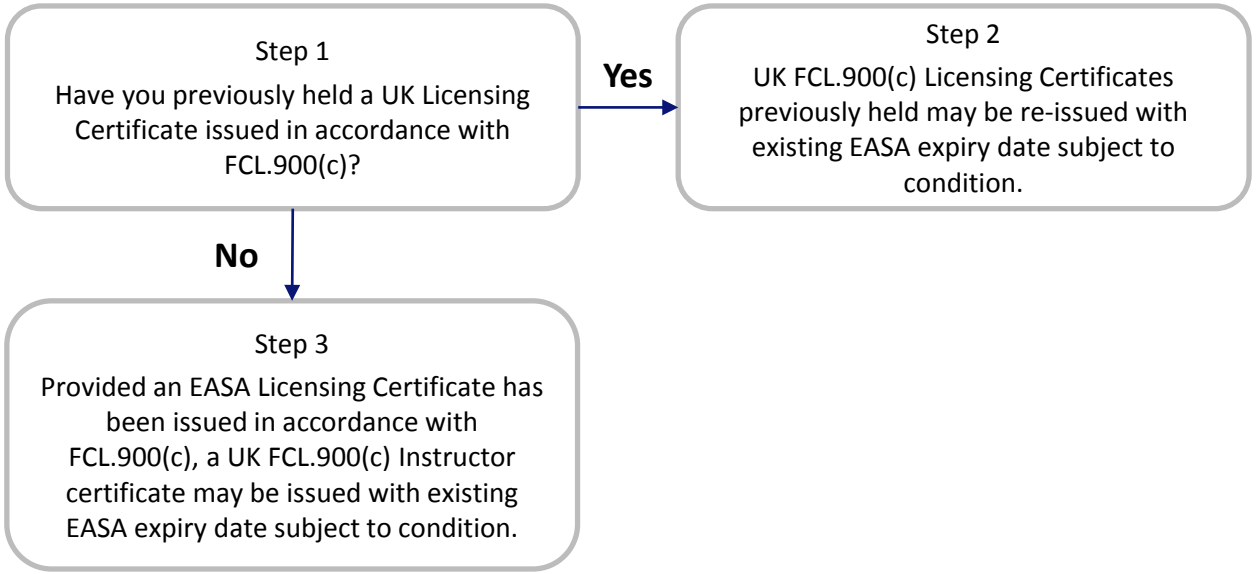
Flow diagrams to assist with EU-UK conversion process for examiner and instructor privileges

Process for instructor privileges granted under FCL.900(c)



Step 2 Conditions:

1. Confirmation required from ATO Head of Training that instructor is employed and current.

Notes:

- Next revalidation will require an AoC unless previous AoC was conducted by a UK examiner.
- If expired since transfer normal renewal procedure applies.

Step 3 Conditions:

1. Confirmation required from ATO Head of Training that instructor is employed and current.

Notes:

- Next revalidation will require AoC.
- If EASA Licensing Certificate has expired, normal FCL.900(c) application process applies.
