Dear ██████,

**RE: ACP-2016-17 Blackbushe RNAV IAPs**

I am contacting you in relation to your airspace change proposal seeking to introduce GNSS IAPs at Blackbushe Airport.

Following on from previous email correspondence, particularly the email dated 5<sup>th</sup> July 2022 (a copy of which is enclosed for your reference), the CAA notes that we have received no further contact from you in relation to your airspace change proposal. As detailed in that correspondence, your proposal will now be removed entirely from our work plan. Should you wish to re-start the airspace change process, you will need to submit a new DAP 1916: Statement of Need: Intended Change to Notified Airspace form.

Yours sincerely,
