

29 January 2014
FOIA reference: F0001768

Dear XXXX

I am writing in respect of your recent request of 31 December 2013, for the release of information held by the Civil Aviation Authority (CAA).

Your request:

"I would like to know the number of applications made to release unmanned meteorological / research balloon in UK airspace over the past two years (2012-2013). Also the organisation and status / role of the person making the application; especially if these are UK universities, or university student societies or similar.

The reason for requesting this information is to gain an appreciation of the extent of this kind of activity; specifically the number / proportion of 'university' launches and to what extent these are a student or university driven activity".

Our response:

In assessing your request in line with the provisions of the Freedom of Information Act 2000 (FOIA), we are pleased to be able to attach the information requested.

We have removed the names of individuals in accordance with section 40(2) of the FOIA as to release the information would be unfair to the individuals concerned and would therefore contravene the first data protection principle that personal data shall be processed fairly and lawfully. A copy of this exemption can be found enclosed.

If you are not satisfied with how we have dealt with your request in the first instance you should approach the CAA in writing at:-
