This form must be completed to confirm the applicant's entitlement for Credits accepted under the terms of the MAAS for persons who are or have been serving members of the UK Armed Forces. Credits are granted under the terms of the UK Credit Report, in accordance with Article 10 of the UK Aircrew Regulation (Assimilated Regulation (EU) No. 1178/2011), as submitted by 22 Group RAF, and as agreed with the CAA. The credits derived from this report are published in CAP 2254.

Where the application for the licence, rating or certificate will include training carried out at a Declared Training Organisation or Approved Training Organisation, a copy of this form must also be retained as part of the Training Records for that individual at the DTO/ ATO making the recommendation for licence/rating/certificate issue.
