## Boeing 777 Departures 2014 ALTITUDE

### Conventional Departures (10 Aircraft)

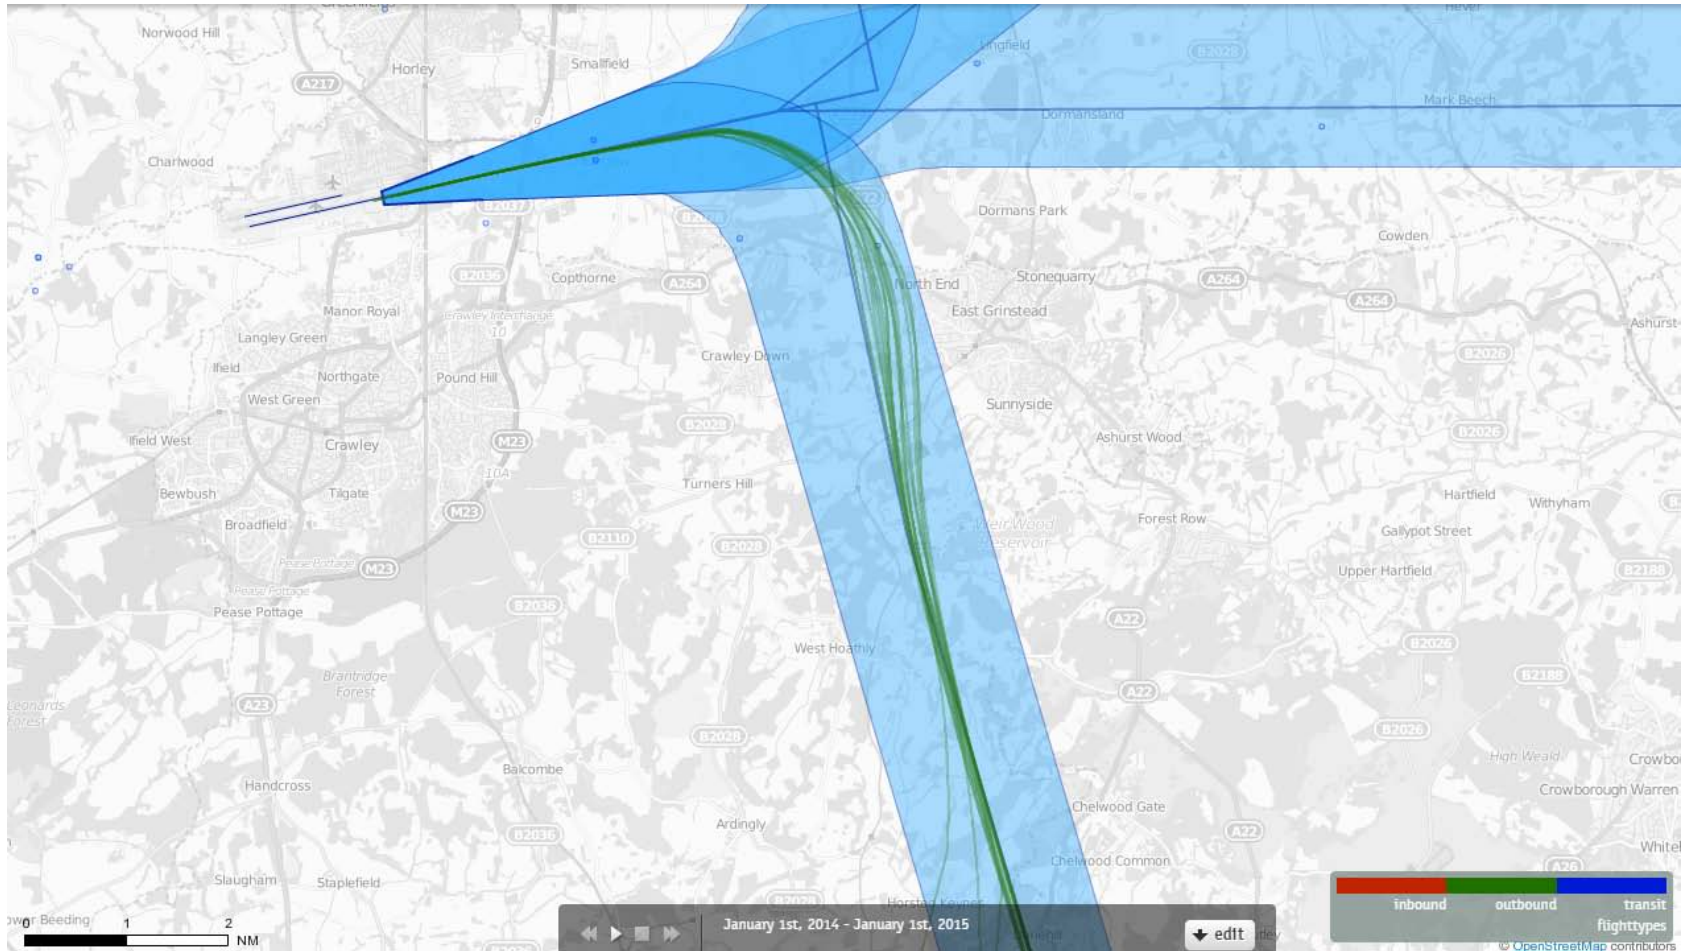

The pixels on the map show the altitude of aircraft as they pass over, displaying them as a colour used in the key. Aircraft at altitudes between those in the key (ie at 4240ft) will be shown as a blend of the colours above and below it in the key (ie a mix of 4000ft and 5000ft colours). Tracks cut off when at the maximum altitude on the key.
