

Corporate Jet Seminar

Welcome
29th June 2016

Welcome to the Corporate Jet Seminar

Mark Panton
Airworthiness Manager
(Fixed Wing Maintenance)
29th June 2016

Post EU Referendum Statement

Message from CAA

Following the referendum on EU membership there will be no immediate change to civil aviation regulation nor the CAA's role in the EU and the European Aviation Safety Agency.

Any future changes will depend on the outcome of the UK's negotiations on exiting the EU. We will be working closely with the Department for Transport in assisting the UK Government in the months ahead as discussions progress

Message from EASA Executive Director, Patrick Ky

During the negotiations, no changes are foreseen in the relationship between EASA and the UK.

Introduction

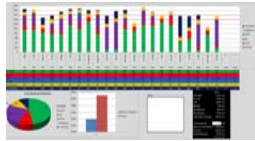

John McColl
Head of Airworthiness
29th June 2016
