RMT.0255/RMT.0544: Part-66 & Part-147

Why are we doing the survey report

Survey launched in November 2016. Evaluation Report to be published beginning of 2018 (initial feedback already given during the last meeting).

What are we doing

After the report is published the PIA will be done taking into consideration the main feedback to the survey:

- Simplification of Part-66 needed but complex.
- Update of Part-66 basic syllabus.
- Reinforcement of practical assessment.
- Detect and prevent cheating/fraud cases in Part-147.
