|--|--|--|--|
| <b>Arrivals data</b>   |  | <p>Information is available on Gatwick Airport's website and dedicated aircraft noise portal via the airspace performance dashboard.</p> <p>Additional information is available within quarterly and annual noise reports.</p>   | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/</a></p> <p><a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a></p> <p><a href="https://aircraftnoise.gatwickairport.com/overview-dashboard/">https://aircraftnoise.gatwickairport.com/overview-dashboard/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p>                                |
| <b>Continuous Descent Approach (CDA) &amp; Continuous Climb Operations (CCO)</b> |  | <p>Information on Continuous Descent Approach is available online via Gatwick Airport's website and the airspace performance dashboard on the dedicated aircraft noise portal.</p> <p>Additional information is available within quarterly and annual noise reports.</p> <p>Gatwick's WebTrak flight tracking system shows the arriving and departing profile where CDA and CCO can be assessed. This is accessed by selecting an aircraft and then clicking on: </p> <p>In addition, aircraft not achieving a continuous descent are shown on the flight tracker with a circle marked around the aircraft.</p> | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/</a></p> <p><a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a></p> <p><a href="https://aircraftnoise.gatwickairport.com/overview-dashboard/">https://aircraftnoise.gatwickairport.com/overview-dashboard/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><a href="#">WebTrak</a></p> |
| <b>Flight tracking &amp; tools</b>   |  | <p>The airport uses a system called WebTrak, a community-facing platform for reviewing airport flights and noise. This system allows residents to review specific aircraft movement in relation to their house, investigate aircraft noise and make a noise complaint.</p> <p>Flight tracking is also available in a 3D version called Flight 3D.</p> <p>Additional information is available from the aircraft noise portal.</p>   | <p><a href="#">WebTrak</a></p> <p><a href="#">Flight3D</a></p> <p><a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a></p>  |

|---|--|--|---|
| <b>Aircraft Traffic Movements</b>             |  | Information is available on Gatwick Airport's website and dedicated aircraft noise portal.   | <a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a><br><a href="https://aircraftnoise.gatwickairport.com/">https://aircraftnoise.gatwickairport.com/</a>  |
| <b>Night quota count</b>                      |  | <p>Performance reports and information is available on Gatwick Airport's website, within reports and on the dedicated aircraft noise portal.</p> <p>Gatwick Airport can operate legitimately 24 hours a day and are monitored closely by the Department for Transport.</p> | <a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/</a><br><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a><br><a href="https://aircraftnoise.gatwickairport.com/night-flights/">https://aircraftnoise.gatwickairport.com/night-flights/</a> |
| <b>Slot allocation, transfers &amp; sales</b> |  | Information on slot allocation at Gatwick is available online.   | <a href="https://www.acl-uk.org/">https://www.acl-uk.org/</a>   |
| <b>Air Traffic Control Practices</b>          |  | <p>An overview of departure and arrival practices are explained in videos and information packs on the aircraft noise portal.</p> <p>Additional information is available within quarterly and annual noise reports.</p>  | <a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a><br><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a>  |
| <b>Weather-related conditions</b>             |  | <p>Gatwick explains how weather, particularly wind direction, can affect their operations.</p> <p>In addition, the WebTrak flight tracking tool has a weather overlay that can be turned on via the display tab on the lower right hand side.</p>                          | <a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a><br><a href="#">WebTrak</a>  |
| <b>Aircraft types used by airlines</b>        |  | Statistics and information on movements by aircraft type is published within quarterly and annual noise reports.   | <a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a>   |
| <b>Airline operators</b>                      |  | An airline directory is available online.  | <a href="https://www.gatwickairport.com/flights/which-terminal/">https://www.gatwickairport.com/flights/which-terminal/</a>   |

| Information provision/data type                                | Fulfil CAA/Air Navigation Guidance 2017 | Additional comments  | <u>Link to webpages that contain this information</u>  |
|--|---|--|--|
| <b>Airline route networks/destinations (including changes)</b> |   | The airport publishes a list and route map of the destinations it serves.  | <a href="https://travel.gatwickairport.com/destinations/browse-destinations-list">https://travel.gatwickairport.com/destinations/browse-destinations-list</a>  |
| <b>Airline Standard Operational Procedures</b>                 |   | <p>Information on airline CDA performance and NPR compliance is available on Gatwick Airport's website and airspace performance dashboard, available on the dedicated aircraft noise portal. Additional information is published in within quarterly and annual noise reports.</p> <p>Information on operational procedures may also be found within the Gatwick entry of the UK AIP.</p> <p>Gatwick currently has an ongoing program to investigate the potential benefits and dis-benefits of both Noise Abatement Departure Procedures (NADP 1 vs NADP 2), this includes a consideration to noise, emissions and fly-ability. The study has not concluded yet and is linked to an additional study commissioned by the DfT ANMAC group which is investigating NADP at Gatwick, Heathrow and Stansted. Gatwick will await the results of these studies before implementing a preferred procedure. However, in accordance with guidance published by the International Civil Aviation Organisation (ICAO), the airport cannot mandate the use of a single NADP and instead only a recommendation can be made.</p> | <p><a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><u>UK AIP – Gatwick</u></p> |
| <b>Historic comparisons of route networks flown</b>            |   | Arrivals and departure track density charts are available on Gatwick Airport's dedicated aircraft noise portal.  | <a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a>  |
| <b>League tables of airline operational performance</b>        |   | CDA performance and NPR compliance statistics are published in quarterly and annual noise reports.   | <a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a>  |

| Information provision/data type                             | Fulfil CAA/Air Navigation Guidance 2017 | Additional comments   | <u>Link to webpages that contain this information</u>  |
|---|---|---|--|
| <b>Data on operations outside of normal operating hours</b> |   | <p>Performance reports and information is available on Gatwick Airport's website, within reports and on the dedicated aircraft noise portal.</p> <p>Gatwick Airport can operate legitimately 24 hours a day.</p>  | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><a href="https://aircraftnoise.gatwickairport.com/night-flights/">https://aircraftnoise.gatwickairport.com/night-flights/</a></p>   |
| <b>Airport Consultative Committee (ACC)</b>                 |   | <p>Gatwick Airport Consultative Committee (GATCOM) is the airport's formal consultative body. It is run by West Sussex County Council with an independent Chairperson and 32 committee members from groups across the region, representing a range of interests including civil aviation, passenger service, business development, tourism and environmental issues. GATCOM meets quarterly, with appointed sub-committees to discuss specific matters in more detail.</p>  | <p><a href="https://www.gatcom.org.uk/">https://www.gatcom.org.uk/</a></p>   |
| <b>Airport noise forums/boards</b>                          |   | <p>Noise and Track Monitoring Advisory Group (NATMAG) brings together representatives from the DfT, ANS, NATS, airlines, Gatwick Airport and local authorities. The group discusses a wide range of noise and track-keeping issues and monitors track-keeping performance, night engine testing and ground noise complaints.</p> <p>The Gatwick Noise Monitoring Group (GNMG) consists of Environmental Health Officers and associated noise professionals from the Local Authorities surrounding Gatwick Airport. The GNMG commissions location specific noise study reports.</p> <p>The independently chaired Noise Management Board (NMB) oversees joint strategies to reduce noise around the airport. It is made up of a wide range of industry experts and stakeholders, including elected representatives, noise groups, Department for Transport, Civil Aviation Authority, airlines, GATCOM, air traffic services and the airport.</p> | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/gatcom--natmag/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/gatcom--natmag/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/noise-management-board/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/noise-management-board/</a></p> |

| Information provision/data type                    | Fulfils CAA/Air Navigation Guidance 2017 | Additional comments  | <u>Link to webpages that contain this information</u>  |
|--|--|--|--|
| <b>Community noise reports</b>                     |  | <p>Gatwick Airport's dedicated aircraft noise portal has a number of dashboards displaying data from mobile noise monitors.</p> <p>Annual reports from aircraft noise monitors are produced by an independent acoustical consultancy and available online.</p> <p>Published quarterly, 'Gatwick Airmail' covers the latest news from the airport and is targeted specifically at the community.</p> <p>A series of aircraft noise FAQs aimed at communities is published online.</p> | <p><a href="https://aircraftnoise.gatwickairport.com/overview-of-noise-data/">https://aircraftnoise.gatwickairport.com/overview-of-noise-data/</a></p> <p><a href="https://aircraftnoise.gatwickairport.com/detailed-noise-data/">https://aircraftnoise.gatwickairport.com/detailed-noise-data/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><a href="https://www.gatwickairport.com/business-community/community-sustainability/local-community/community-engagement/">https://www.gatwickairport.com/business-community/community-sustainability/local-community/community-engagement/</a></p> <p><a href="http://aircraftnoise.gatwickairport.com/frequently-asked-questions/">http://aircraftnoise.gatwickairport.com/frequently-asked-questions/</a></p> |
| <b>Community relations events</b>                  |  | <p>The airport hosts regular engagement events for local community representatives, providing a behind the scenes view and an opportunity to meet members of the Gatwick team to discuss the issues that are important to local people.</p>  | <p><a href="https://www.gatwickairport.com/business-community/community-sustainability/local-community/community-engagement/">https://www.gatwickairport.com/business-community/community-sustainability/local-community/community-engagement/</a></p>   |
| <b>Noise Action Plan (NAP)</b>                     |  | <p>Gatwick Airport publishes and consults with the public on their NAP on a 5-yearly basis. The airport's current plan was adopted by the Secretary of State in early 2019. Progress in implementing these actions is reported to NATMAG and noted in the meeting minutes.</p>   | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/gatcom--natmag/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/gatcom--natmag/</a></p>  |
| <b>Noise &amp; Track keeping performance (NTK)</b> |  | <p>WebTrak allows residents to review specific aircraft movement in relation to their house, investigate aircraft noise and make a noise complaint. It is also available in a 3D version called Flight 3D.</p>   | <p><a href="#">WebTrak</a></p> <p><a href="#">Flight3D</a></p> <p><a href="https://aircraftnoise.gatwickairport.com">https://aircraftnoise.gatwickairport.com</a></p>  |

| Information provision/data type                    | Fulfil CAA/Air Navigation Guidance 2017 | Additional comments  | <u>Link to webpages that contain this information</u>   |
|--|---|--|---|
|  |   | Additional information is available from the aircraft noise portal, this provides information on how Gatwick and the surrounding airspace operates alongside a number of interactive dashboards and charts.  |   |
| <b>Noise Contour Mapping</b>                       |   | <p>Noise contour maps are carried out on behalf of Gatwick Airport by the Environmental Research and Consultancy Department (ERCD) of the CAA. ERCD provides LAeq day and night contours for the areas around the airport. The latest as well as historic contours are available in both paper and an interactive map.</p> <p>Gatwick runs a noise monitoring programme in order to have a better understanding of the levels of aircraft noise in communities surrounding the airport. Information on the location of new noise monitors, is available online alongside all historic noise monitoring reports.</p> <p>WebTrak shows the location of the current monitors, as well as live noise monitor levels. Gatwick Airport's dedicated aircraft noise portal has a number of dashboards displaying data from the noise monitors.</p> | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p> <p><a href="http://aircraftnoise.gatwickairport.com/our-current-noise-contour/">http://aircraftnoise.gatwickairport.com/our-current-noise-contour/</a></p> <p><a href="http://aircraftnoise.gatwickairport.com/our-noise-contours/">http://aircraftnoise.gatwickairport.com/our-noise-contours/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/what-were-doing/airspace-office/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/what-were-doing/airspace-office/</a></p> <p><a href="#">WebTrak</a></p> <p><a href="http://aircraftnoise.gatwickairport.com/">http://aircraftnoise.gatwickairport.com/</a></p> |
| <b>Noise complaints data, reports and handling</b> |   | <p>All enquiries and complaints are dealt with by the Airspace Office which provides information to the public, responds to any comments and monitors the noise levels and track-keeping of all departing aircraft. They can also give information to prospective home-buyers about flight paths and provide data to the airport's independent Consultative Committee.</p> <p>Complaints can be made via the airport's interactive Flight Tracker, an online form, telephone, mobile shortcut app or by post.</p> <p>Information on complaints is available via the complaints dashboard available on the dedicated aircraft noise portal. Additional information is available within quarterly and annual noise reports.</p>  | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-enquiries/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-enquiries/</a></p> <p><a href="https://aircraftnoise.gatwickairport.com/noise-complaints-dashboard/">https://aircraftnoise.gatwickairport.com/noise-complaints-dashboard/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/noise-reports/</a></p>  |

| Information provision/data type  | Fulfils CAA/Air Navigation Guidance 2017 | Additional comments  | <u>Link to webpages that contain this information</u>   |
|--|--|--|---|
| <b>Information on permanent and temporary Airspace Change including trials</b> |  | <p>A webpage dedicated to previous, current and future airspace changes including trials is available.</p> <p>In addition, the Head of Airspace Strategy and Engagement provides regular blog updates.</p> | <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/airspace/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/airspace/</a></p> <p><a href="https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/airspace-blog/">https://www.gatwickairport.com/business-community/aircraft-noise-airspace/engagement/airspace-blog/</a></p> |
