[REDACTED]
I refer to your letter of 23 March 2018 and our meeting of 20 April 2018.

In response to your request relating to the history of the conventional route, I confirm that the CAA has not prepared any investigation report, however, has produced the enclosed series of maps which show the changes to the traffic flying the route over time. I also enclose all historic copies of the AIP that we could locate.

Yours sincerely
